

Let's Talk Math

I notice that...

I wonder if...

I predict _____
because...

I know _____
because.

First, I _____
because...

I tried _____
and what
happened was...

A characteristic
of this is...

reminds me of
_____ because...

One thing that
makes _____ and
_____ the same/
different is...

I agree because...

My strategy
is like yours
because...

This solution
makes sense
because...

I disagree
because...

The solution
might not work
because...

Instead of _____,
could you try...

What makes you
say that?

How did you
get...?

Can you explain
why...?

Another strategy
could be...

Another way to
look at it is...

I would like to
add on too...

A suggestion I
can offer is...

We will need to
know...

You did a great
job at...
