

Let's Talk Math

I notice that...

I wonder if...

**I predict _____
because...**

**I know _____
because.**

**First, I _____
because...**

**I tried _____
and what
happened was...**

**A characteristic
of this is...**

**reminds me of
_____ because...**

**One thing that
makes _____ and
_____ the same/
different is...**

I agree because...

**My strategy
is like yours
because...**

**This solution
makes sense
because...**

**I disagree
because...**

**The solution
might not work
because...**

**Instead of _____,
could you try...**

**What makes you
say that?**

**How did you
get...?**

**Can you explain
why...?**

**Another strategy
could be...**

**Another way to
look at it is...**

**I would like to
add on too...**

**A suggestion I
can offer is...**

**We will need to
know...**

**You did a great
job at...**
